### **BUSINESS REGISTRATIONS OPEN FOR DINE & DISCOVER**

Eligible businesses across the state can now register to take part in the NSW Government's major economic stimulus program, Dine & Discover NSW.

The program will create an economic boost for dining, arts and tourism businesses, which have been impacted by COVID-19, and encourage customers to get out and about safely.

Treasurer Dominic Perrottet encouraged businesses to register and get ready so they can hit the ground running when the program goes live.

"We've heard loud and clear just how tough it has been for businesses across NSW. This program will reinvigorate local economies and provide customers with hip pocket relief," Mr Perrottet said.

"Encouraging people to support local businesses in a safe way through this program will provide an important boost for the state."

Minister for Customer Service Victor Dominello said Service NSW is launching a specialised app for participating businesses, so they scan and track voucher usage over the life of the program.

"After applying online, NSW businesses will be able to track the progress of the application through their MyServiceNSW Business Profile. Business owners will then receive a step-by-step process on how to get ready," Mr Dominello said.

"With a high uptake of the vouchers expected across the state, the Business Profile provides one, easy to use location for businesses to stay on top of voucher transactions.

"Businesses will be automatically paid typically within 5 business days for the value of vouchers redeemed.

"All eligible businesses will receive an email from Service NSW with details on how to register. I also urge residents to do yourself a favour and download the Service NSW app now in anticipation of the rollout."

Minister for Finance and Small Business Damien Tudehope said the program would be a boost for small businesses after a challenging time.

“We want people to get out there, support their local businesses and get spending,” Mr Tudehope said.

“The program will be rolled out in a few steps to ensure a seamless customer experience.

“Phase one will include a pilot at The Rocks and in Broken Hill in early February. The pilot will then be expanded to the Northern Beaches, Sydney CBD and Bega Valley Shire Council, which is expected to commence in late February.

“The findings from the pilots will inform the state wide rollout, expected to commence in March, that will run until 30 June 2021.”

Every NSW resident aged 18 and over will be eligible for four \$25 vouchers worth \$100 in total, to spend in participating businesses. The vouchers will be divided into two categories:

- Two \$25 vouchers to be used for eating in at restaurants, cafes, bars, pubs and clubs from Monday to Thursday, excluding public holidays.
- Two \$25 vouchers to be used for entertainment and recreation, including cultural institutions, live music, and arts venues, available 7 days a week, excluding public holidays.

The vouchers can only be used within businesses that have implemented a COVID Safety Plan and are registered as COVID Safe.
